A commitment to help you become your best.

At HenderCare, we're committed to our staff and supporting them to be the best they can be. An important way in which we do this is by giving our staff ongoing opportunities for professional development.

We offer a range of fully-funded mandatory competency training courses for our staff as well as additional training courses that staff can access for a minimal fee. These courses cover everything from wellness and reablement and dementia training.

With a range of options for completion, including an online training platform, there has never been a better time to enhance your skills to continue making a positive difference in the community.

For more information or to book your place, call HenderCare on (08) 8215 6014 or email training@hendercare.com.au.
