The best choice in Home Care. Why? Because we make it *your* choice.

At HenderCare, your choices are our priority. We offer a true consumer-directed model of care where you control what services you receive and when, as well as who delivers them.

Whether you have low, high or complex care needs, we deliver flexible options that allow you to get what you need out of your package, helping you to stay living at home.

Contact us today and experience the HenderCare service difference on 1300 764 433.

“I think it could quite easily be intrusive and it isn’t at all. I have the impression they do believe that looking after older people is worth doing.”

- consumer feedback

A huge range of services, no matter how simple or complex your needs.

We deliver a wide range of care and support services throughout the community which include nursing, therapy services, social support, cleaning and more.

We reliably deliver these services by employing and training our own caring team members; working hard to ensure you have the same person at your door each week, providing you with routine, familiarity and a friendly face.

You set your goals.

Every consumer's Home Care Package goals are different. Whether you have social, well-being, health or mobility goals, at HenderCare, we will work with you to design a service plan and budget to help you achieve your goals.

You say what, when and who.

Offering a true consumer-directed model of care, we won't make your needs fit into our schedule. We empower consumers to actively determine what services you would like to access under your package, when you would like them delivered and who you would like to provide the services.

No more unfamiliar faces or uncertainty around service times, we work hard to make sure that your services are delivered in the way you would like and at the times that suit you.

Planned changes are coming!

In 2025, the Australian Government is planning to introduce the new Support at Home Program. The new Support at Home program will replace the Home Care Packages Program and Short-Term Restorative Care Programme from 1 July 2025. The Commonwealth Home Support Programme will transition to the new program no earlier than 1 July 2027. For more information about the proposed changes, please visit the Department of Health and Aged Care website.

Frequently Asked Questions

What is a Home Care Package?

Home Care Packages (HCP) Levels 1 to 4, are funded by the Commonwealth Government. They are a great way for you to access support that will help you stay in your own home. HCPs can fund services like domestic assistance, transport, personal care, home and garden maintenance, a helping hand with meal preparation, nursing care, social support and therapy services.

How do I apply for a package?

To start the process, you will first need to contact My Aged Care on 1800 200 422. They will talk you through the process which may include an initial phone screening and face to face assessment. We can assist you in starting this process and can lodge a referral for assessment on your behalf.

What is Care Management?

Care management includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan.

Giving our all for health and community care.
